PROFESSIONAL PROFILE

President and Founding Partner of Stange Law Firm, PC, a multi-state divorce and family law firm founded in 2007. Under his leadership, the firm has grown from a single-office practice into a 30-office organization operating across ten states. The firm's mission is reflected in its tagline: 'Here to Help You Rebuild Your Life(TM).'

Before founding the firm, Kirk practiced family law and divorce litigation at three law firms, handling contested hearings, trials, and complex domestic matters. As the firm expanded, his role evolved from primarily litigating cases to overseeing business operations, strategic growth, marketing, organizational leadership, and professional development.

Kirk has devoted substantial time to legal education. He has presented continuing legal education programs for The Missouri Bar, the National Business Institute, Strafford, myLawCLE, and other providers. In 2014, he presented at the Eighth Circuit Judicial Conference on social media evidence for attorneys and judges. The Missouri Bar recognized his CLE contributions in 2017.

Kirk rarely accepts new legal matters. When he does, his involvement is generally limited to highly unique matters in and around the St. Louis metropolitan area. Other lawyers at Stange Law Firm, PC continue to represent clients throughout the firm's multi-state footprint.
